Dear editor

We need to issue an erratum regarding the funding detail of an already published paper. The fund information is particularly crucial as if it is not corrected, the financial sponsorship and the results of this article will not be recognized, and all our efforts will be in vain. I sincerely hope that you can understand the difficulties and hardships we have encountered in our work and help us make these necessary corrections. I truly appreciate your understanding and assistance.

The funding information for this study should be revised as follows:
Funding/Support: This study was supported by a 2023 research grant from Pusan National University Yangsan Hospital.

Sincerely,

Jongkil Nam, MD
